

HEALTH SCIENCE AND TECHNOLOGY

High School to College and Career Pathways

HEALTH SCIENCE AND TECHNOLOGY

Health Science and Technology Education prepares students for employment and/or continuing education opportunities in health care through technical instruction in the classroom, experiential education in the laboratory, work-based learning opportunities at clinical settings, and leadership skills through Health Occupations Students of America (HOSA).

MEDICAL OFFICE ADMINISTRATIVE ASSISTANT

Workforce Trends

According to the Utah Department of Workforce Services, a total of 11,000 average annual job openings are expected for this occupation through the year 2010.

Get the Facts

As insurance policies become more intricate, and as government sets more guidelines and creates new laws surrounding the profession, there is an increased need for administrative help within hospitals, clinics, and other medical offices.

Beyond High School

There are a number of options for education and training beyond high school, depending on your career goals.

Sample Occupations

- > Medical Coder
- > Medical Secretary
- > Medical Records Technician

For more information on salary projections, labor market demand, and training options, visit www.careers.utah.gov.
